

**Detailed Purpose: Please Provide what, when where and why of travel**

The purpose of the travel was to **attend and present a paper**  
(Benefits Of Siting a Borehole Repository on Non-Operating Nuclear Facility)  
**At the International High Level Radioactive Waste Management 2017,**  
In **Charlotte, North Carolina**, from **April 9th to April 13th**

**Travel Category:** Out-of-State

**Travel Expenses Paid by University T-card:**

None

Dates	Departed From/Arrive at	Mileage	Commercial Plane/Bus/Rail If Paid by you	Rental Car Gas/Fuel	Parking/Tolls	Taxi	Lodging Conference Hotel? Yes or No	Per Diem Circle meals requested	Other/Misc/Notes Use this area for items which do not fit into one of the other categories
04/09/2017 12:07PM /01:35PM	Pittsburgh,PA / Charlotte, NC		\$210.41				\$ 133.50 No	L / D	
04/10/2017							\$ 133.50 No		
04/11/2017							\$ 133.50 No	D	
04/12/2017							\$ 133.50 No	D	
04/13/2017 1:10PM / 2:19PM / 4:00PM / 7:20 PM	Charlotte,NC / Chicago, IL  Chicago,IL / Champaign,IL		\$177.14 (Flight) + \$29.30 (Bus) = \$ 206.44						

**Other details or further explanation:**

**Note** that the starting point is Pittsburgh, not Champaign or Ubrana, this is because the American Nuclear Society Student Conference took place in Pittsburgh (April 6th-9th) and I was departing straight from the conference to the International High Level Radioactive Waste Management Conference.

**Note** that flight from Pittsburgh to Charlotte is supposed to be from Pittsburgh to Atlanta. The flight is purchased that way in order to save costs.

**Note** that the 04/13/2017 entry has four times - departure of flight, arrival of flight, departure of bus, arrival of bus.

**Note** that the 04/13/2017 entry has two costs - flight cost, bus cost, total cost
